April Roundtable Important Sessions for Everyone

April Roundtable will feature important sessions for everyone. Sessions will include a complete overview of Journey to Excellence 2014 or JTE 2.0. *There are significant changes.* There will also be session on Webelos Transition.

Journey to Excellence (JTE 2.0) for units has been made much simpler. The number of criteria or guideposts has been reduced to four plus one (4 + 1). This Roundtable session will feature a complete overview of the five guideposts as they pertain to all units packs, troops, teams and crews. Who should attend? All committee chairs (all units) and all commissioners who were not able to attend the Commissioner's Summit.

Webelos Transition will feature an overview of Webelos Transition. This will include the process, timeline and responsibilities for all involved. Who should attend? All Bear and Webelos Den Leaders, Cubmasters, Scoutmasters, Transition Chairs, pack/troop liaisons and commissioners should attend. And yes, even Webelos parents could attend.

University of Scouting School Night for Scouting Sessions

This year's fall youth recruiting effort, School Night for Scouting, will feature a statewide effort on September 18. All promotions, publicity, and efforts will focus on this one night. A complete overview of School Night for Scouting will be offered during sessions at University of Scouting, Saturday, April 12 at Lakeville South High School. See the council web site for complete details. Sessions will be offered every hour. There will be no charge if you only want to attend one of the School Night for Scouting Sessions. All unit school night chairs and cub leaders should attend one of these sessions.
