Root Beer Floats available (donation appreciated)

--Bring a picnic snack and make a morning of it!--

Rules are on the flip side of the flier

## **CUB-ANAPOLIS 500**

### ***Race Car Instructions and Rules***

The fun begins when families make the cars together!

All cars need to be made before the race; please come to the Park with your car ready to race.

Choose an appropriately sized cardboard box for the boy to hold around himself as shown below. Look for a box that is 24 to 36 inches long, 12 to 18 inches wide, and 12 inches deep. If a box is too deep, a boy might have trouble holding on to it.

- Cut holes for the head and arms-about a 9- to 10-inch hole for the head, and 4-inch holes for arms
- Make a windshield if you want, folding cardboard into a triangular shape and glue it to the box
- Make four cardboard wheels with about a 4- to 5-inch radius and glue them to the box, also
- Paint and decorate as desired. Let your imagination go wild!
- You could add straps to it like suspenders and let it hang instead of poking head through the top hole.

Here is a link you can use: [http://www.ussscouts.org/bbugle/bb0712/bb\\_packdenactivities.asp](http://www.ussscouts.org/bbugle/bb0712/bb_packdenactivities.asp)

We'll run 3 laps with one pit crew activity done on each lap. Things you may have to do are:

- 1) Wash face - clean windshield
- 2) Drink of water - add oil to car
- 3) Take socks off, turn inside out, put shoes back on - change the tires

The Race will be run by Ranks, or close ranks depending on turnout:

- Lions
- Tigers
- Wolves
- Bears
- Webelos and Arrow of Light

Please do not put any sharp objects or something that can break off and hurt your child or another child. Use a box that fits around the boy without being either too snug or too loose.

Remember:

- No metal or glass materials may be used
- No items can be hanging or dragging behind a car
- For safety reasons, cars should not have a windshield made out of anything but cardboard
