New Year's Roundtable Reminder

New Year's Resolution. Make it a New Year's resolution to attend Roundtables in 2015. We know that not everyone is able to attend Roundtables, so then make it a resolution to be sure your unit is represented at Roundtable.

If you're not attending and your unit is not represented, you/they are missing out. You're missing program updates, new ideas, Northern Star Council and CBD(G!) District information, suggestions from other unit leaders, a chance to ask questions of key program volunteers, or District Committee, or Commissioner Staff, and a chance for sharing, fun and fellowship.

Again, make it your resolution to attend!

The first Roundtable of 2015 is Thursday, January 8, 7:00 pm at the LDS Church at 651 Southcross Drive East, Burnsville.

Cub Scout January Roundtable will feature everything "Derby". There is more to derbies than just Pinewood! We'll talk about all the options and we'll even be participating in our very own derby! See you all on January 8th.

Boy Scout The Boy Scout side will continue with the small group discussion format. Roundtable is about fellowship and sharing. Come and share with others, teach and learn, on topics of interest and concern to other scout leaders. There is always program information available and a chance to talk with the Commissioner Staff or District Committee members. And there is always fellowship before and after the breakout sessions. Planned topic for January - Camping gear (perhaps with REI/Gander Mountain/Dick's Sporting Goods).

Senior Patrol Leader There will be no Senior Patrol Leader Roundtable in January. The Senior Patrol Leader Roundtable will resume in February.

Also at the January, Roundtable:

January 8 Roundtable
 OA Chapter Meeting (following opening announcements)
 Troop Committee Training (first session, 6:30 to 8:30 pm)
 OA Unit Election Training

Please see the previous issue of the [CBD\(G!\) Chatter](#) for details.
