turned in their health form. Individuals not with a unit must check in upon arrival. The items you need for check in are:

- A roster listing each person (youth and adult) and how long they are in camp
- Your unit's planned check out date and time
- A health form for each person in camp
- Additional fees if you will have more in camp then you registered
- The ability to indicate your campsite on a map so staff can easily locate your unit.

### **Friday Night Cracker Barrel**

One adult leader and one youth leader from each unit should attend the cracker barrel at the camp HQ. Please attend the cracker barrel, because important reminders and program changes will be communicated to you at that time.

Quiet time in your campsite begins at 10 pm. Everyone should be quite at this time.

### **Fires**

Fire rings are available in most campsites. Do not create new fire rings. Each unit is expected to provide their own fire buckets (with water) for safety. Water is available at camp spigots.

### **Garbage**

Units must remove all garbage from their campsite. There is a garbage dumpster and recycle bins next to the dining hall. Please place garbage and recyclables in the proper containers.

### **Saturday, May 5**

#### **Opening Ceremony**

The opening flag ceremony will be held Saturday morning in front of LeSueur Cabin. Immediately after the ceremony, the program begins. The weekend's schedule and event locations are near the end of this guide.

Boy Scouts will have the opportunity to assist at a Webelos adventure station, make and break stuff and spend afternoon time on the shooting ranges.

Webelos Scouts will be working on up to three of the six offered Arrow of Light Adventures. Depending on how long they take, you should be able to complete several adventures.

#### **Saturday Lunch**

A lunch break will be provided between the morning and afternoon sessions. Your unit should plan a lunch on your own. Return to your session after lunch. Day participants will have plenty of space to eat their lunch.

**Trading Post**

The Phillippo trading post located below the Dining Hall, will be open for a time on Saturday. Times will be announced at the cracker barrel, open ceremony, or at Camporee HQ. Times are typically 1 to 3 pm.

**Scouts Own Time**

Troops/Packs will have some free time after the afternoon's sessions and prior to the campfire. A perfect time to schedule some troop activities, take a hike, prepare for the show, or relax.

**Dinner Time and Early Check Out**

Make a delicious meal at your campsite, clean up, and get ready for the Campfire Program. Food for the weekend is your unit's responsibility.

Units or individuals leaving Saturday should check out at Camporee HQ. Remember to bring your evaluation form and pick up your patches and health forms before you leave.

**Scouts Own Service and Campfire**

Prior to the evening's campfire program, a non-denominational religious service will be held near LeSueur Cabin. A scout is reverent. Please attend. The day concludes with the campfire program near the LeSueur Cabin. All units will be involved in the program. Plan to do a Scout-appropriate skit, song, stunt, or story for the campfire program.
