The student workbook for each student will be available at the first meeting for parents who pre-register students. Parents and Scouts **DO NOT** have to buy the student book ahead of time. The leaders will ask that the students **bring money (cash or check made out to Gretchen Fett for \$4.50) for each Scout** to the first meeting to pay for the student workbooks. Other than the awards at the end of the session, this is the only cost for the program.
