

Chief Black Dog (GO!)

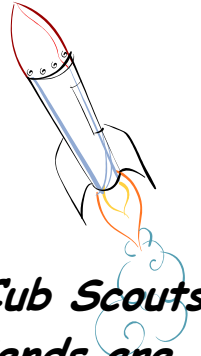

Model Rocket Flight Day

Saturday, October 14, 2017

Falcon Ridge Middle School

*Bad Weather Rain Date Make-Up Saturday, October 21, 2017
(make-up date is tentative)*

Join us for the Scouting Model Rocket Launch Day. All Cub Scouts, Boy Scouts, Ventures, Varsity Scouts, family, and friends are invited to bring and launch your favorite rocket(s). Northern Star Council may still have few rocket kits available to purchase (call 763-231-7201 for more information).

What you need to bring: Your rocket(s), igniter(s), engine(s) and other launching supplies as needed for your rocket(s). We will provide the launch system. Launch a rocket detailed to reflect this year's School Night theme of "Superheroes"!

Check-in for the model rocket launches begins at 8:30 am, and the launches begin about 9:30 am (time approximate) and will wrap up about noon.

This event is free with a food shelf donation.

Have a friend who is not in Cub Scouts? Invite them along for the fun! They will also receive a t-shirt and a Frisbee style flyer when they join!

For more information, contact [Steve Engel](#).

For information on weather postponements call (651) 423-7922 (the evening before or the morning of) for a recorded message.
