Join us for the Scouting Model Rocket Launch Day. All Cub Scouts, Boy Scouts, Ventures, Varsity Scouts, family, and friends are invited to bring and launch your favorite rocket(s).

What you need to bring: Your rocket(s), igniter(s), engine(s) and other launching supplies as needed for your rocket(s). We will provide the launch system. Launch a rocket detailed to reflect this year's School Night theme of "Superheros".

Check-in for the model rocket launches begins at 9:00 am, and the launches begin about 10:00 am.

This event is free with a food shelf donation.

Have a friend who is not in Cub Scouts? Invite them along for the fun! They will also receive a super hero Frisbee and a "glow in the dark" t-shirt when they join Cub Scouts!
