Official E-Memo of Chief Black Dog District

Model Rocket Flight Day & Cub Anapolis

Our annual Model Rocket Flight Day will be Saturday, August 12 at Falcon Ridge Middle School, co-sponsored with District 196 Community Education Space Challenge Camp.

Registration will begin about 9 am with launches beginning about 10 am.

All Cubs, Scouts, Varsity Scouts, Venturers, families, and friends are invited to attend and launch your favorite model rockets.

What you need to bring: Your rocket(s), igniter(s), engine(s) and other launching supplies as needed for your rocket(s). We will provide the launch system.

Launch a rocket detailed to reflect this year's School Night theme of "Superheroes".

This event is free with a donation to the local food shelf.
See the [Rocket Day flyer](#) on the website for complete details.

First Annual Cub Anapolis

The first annual Cub Anapolis will also be held on Saturday, August 12, also at Falcon Ridge Middle School. Check in and games begin at 9 am and races begin at 10 am. The event is open to all Cub Scouts (siblings 5th grade and younger can race, too).

Free with food shelf donation.

There will be root beer floats (donations appreciated)

Flyer, rules and complete details at [Cub Anapolis](#).
