Official E-Memo of Chief Black Dog District

Model Rocket Flight Day, July 30

The 10th annual Model Rocket Flight Day will be held this Saturday, July 30 at Falcon Ridge Space Center (Middle School). Check in begins at 9 am and flights should commence by 10 am. All Cub, Boy Scouts, Varsity, Venture Scouts, families, friends are welcome. Come to fly your rockets or just have fun watching. This event is jointly sponsored with the District 196 Community Education Space Challenge program. Complete details on the website at [Model Rocket Flight Day](#). This is a free event.

August Roundtable Corn feed/Program Kickoff, August 18

The August Roundtable will be a week later again this year, Thursday, August 18, same location, the LDS Church in Burnsville. A week later to allow the several units still at summer camp a week earlier to attend. This is the perfect opportunity to learn about and "be prepared" for the programs ahead in 2016-17. Be sure all your leaders and interested parents are invited to attend. Complete details to be posted soon on the website.

School Night for Scouting (SNFS) is just around the corner and Chief Black Dog (GO!) is the first district to have all our units trained for School Night. Congrats and thanks for putting the "GO" in Chief Black Dog! There are changes this year; please make sure your unit is aware of these and lets have the best School Night recruiting ever!. Promotional materials will be available at Roundtable. School Night for Scouting details at [School Night](#).
