

Camp Chat February 2014

Bob Gwinn, CBD Camping Chair

Thanks to the efforts of district scoutmasters, we have many of our troops committing to make cub camping presentations to cub packs in the district. While not all packs are covered yet and we still have a few troops who have not signed up. Remember in addition to helping promote the cub camping program this is also a great way to get to know your feeder packs and recruit new scouts into your troop.

Set your dates and let me know if you need any assistance or materials.

Scoutmasters Check Dates

Some troops have discovered that they reserved the wrong dates for summer camp this year. This is due to calendar shifts and assumptions that certain numbered camp sessions fell on the same dates as past years. Scoutmasters should double check the dates of their reservations to make sure that, for example, week 3 is on the dates they expected. If you have questions you can check on goscouting.org or call the council camping office. **Don't lose your campsite**

Summer Camp Orientation

Boy Scout summer camp orientation is scheduled for **March 1** at Base Camp. At least one unit leader should attend. Any one interested in summer camp programs at Many Point and Tomahawk is welcome to attend. Get the latest information and updates as well as tips on making the experience the best it can be for your scouts. It's also a chance to meet staff and voice concerns or ideas ahead of the summer camp season.

2015 Camp Reservations

Summer camp reservations are open for 2015. Units can reserve their same campsite during their same week from January 1 until May 1. After May 1 reservations are open on a first come first serve basis. Go to www.manypoint.org & www.camptomahawk.org to check availability.
