Official E-Memo of Chief Black Dog District

Fall Model Rocket Launch Day Saturday, October 8, 2016

This is just a reminder that our fall Model Rocket Launch Day will be this Saturday, October 8, 8:00 am at Falcon Ridge Space Center (Middle School). Launches will take place on the fields east of the school and parking lot. Check-in registration will begin about 8 am and launches may begin about 9:00 am.

There are no additional Cub Scout activities planned this year.

Bring your best and greatest rockets to launch. You will need to provide engines, igniters, wadding, etc. We will provide a launch system. Invite family, and friends to come watch (especially friends who may be interested in joining Cub Scouts, Boy Scouts, etc).

This is a free event but please bring a donation to the local food shelf.

The forecast is for a cooler day, Low in the upper 30's and a high in the low 50's, dry, and light winds. If the weather is bad, a tentative make-up date is Saturday, October 15. More information will be provided should the event be actually canceled or postponed. If the weather seems questionable, please call (651) 423-7922 (Saturday morning) for a recorded event status/weather update.

For more information, see the [Flight Day flyer](#) on the CBD(G!) website.
