

BAHAMAS ADVENTURE

Visit a foreign country and snorkel in translucent water
Set sail for high adventure!

Sea Base is based in Marsh Harbour on Great Abaco Island, in the Bahamas. Sail to different Bahamian Cays and settlements. There's plenty of time for fishing, snorkeling and swimming. Steady breezes, the protection of the barrier islands and the reef surrounding Abaco Sound provide perfect sailing getaways. Troll with fishing lures for snapper, grouper, barracuda, and shark. Fresh fish is a nice addition to the meals that your crew will cook in the ship's galley. This is a seven day event, the traditional Bahamas sailing vessel can accommodate crews of 10-12 and is 40 – 50 feet long. The Bahamas adventures are not a pleasure cruise, but rather a working, sailing journey that involves teamwork, education, and safety for scouts and leaders alike. **Crew members must be 14 years of age by September 1 of the year of participation (by 9/1/2010).**
